ET LES
MISSIONS ÉCONOMIQUES

You want to meet important French decision makers on the CeBIT? In cooperation with Deutsche Messe, organizer of the fair, the French Trade Commission and UBIFRANCE invite you to attend the International Business Meetings with French companies at CeBIT 2008.

The Franco-German IT-year will give you the **unique possibility to contact French companies and Networks of Competence** on the biggest international IT fair. Amplify your knowledge of the French IT-market.

Discover a large overview of the French offer and the particularities of the French IT market.

Meet your potential French business partner in a friendly atmosphere.

Benefit from free pre-scheduled meetings in order to easily find your French potential partners.

Develop your business relationships with French companies through a concluding Networking-Cocktail which will offer you an additional opportunity for exchanges and for further contacts.

Registrate now to profit from all advantages of our networking and to benefit from personalized pre-scheduled meetings on the 06th March 2008. **The participation is free!**
